

FORM C: Request for Student to self-administer Medication

Parent/Legal Guardian Information

Please read this information carefully prior to completing the form.

We understand that self-management of health conditions encourages children and teens to build independence, recognise the signs/symptoms of their health condition, and administer their own medication, when required.

Self-administration of medication must be approved by the Principal prior to your child bringing any medication to school, or school based activities for self-administration. The *Request for Student to self-administer Medication* form must be completed by a parent/guardian for self-administration of medication, prior to considering approval for your child to self-administer at school or attending school-based activities. **Controlled drugs will not be approved for self-administration.**

The Principal and/or their delegate has the right to request additional medical advice to assist in determining the suitability of the student or medication for self-administration.

All students must comply with the school code of conduct. The use or possession of any medication by students, who are not approved for self-administration, is considered a breach of the BCE Alcohol and Drug Policy.

Student Details			
Student Name:		Date of Birth:	
Address:			
	Medication 1	Medication 2 (write NA if unapplicable)	Medication 3 (write NA if unapplicable)
Name of medicine:			
Strength:

Yes <input type="checkbox"/> No <input type="checkbox"/> Does the medication require specific storage to maintain integrity? Yes <input type="checkbox"/> No <input type="checkbox"/> <i>(i.e. within a temperature range, refrigerated)</i>		
Reason/s for medication:			

Student Declaration

- I am confident to carry and self-administer the medication(s) as listed above.
- I agree to keep my medication(s) in a safe place and I will not provide access to other students.
- I understand what medication I am taking and the reason for the medication.
- I can recognise early symptoms (indicators) to self-administer appropriately ('as needed' medication only).
- I agree to comply with the dosage instructions as detailed on the medicine label.
- I agree to dispose of any medication or medication administration equipment safely (if required).
- I will notify a teacher (or school staff) immediately if I need to take more than one dose of medication in a 24-hour period.
